

solar racking solutions

SunModo, Corp.

Vancouver, Wash., USA www.sunmodo.com 360.844.0048 info@sunmodo.com

Solar installation professionals prefer to rely upon a single partner for all their mounting and racking needs. **SunModo** is dedicated to providing innovative racking solutions that help you install systems quickly and painlessly. Our products already set the standard for durability, safety and security, and our R&D team is constantly engineering affordable, hassle-reducing innovations that meet industry standards. You can access our products through our preferred distributors.

RACK UP THE SAVINGS

We help you complete more installations in less time by getting you on and off the roof quickly, and avoiding expensive callbacks, patches and repairs. We want your client's solar investment to be safely anchored and racking up energy savings for years to come.

WE LISTEN

"Less time on the roof, better price and great quality... good feedback from customers and the systems look dynamite." John Harley, National Solar

"We're saving time and money on each install. Easy to work with and the most knowledgeable team around." **Grant Lindsley, RS Energy**

"I've lost count how many times we've provided feedback and the innovation is released in the next product." **Howard Lamb, Sunergy Systems**

RACKING PARTNER OF PROFESSIONAL INSTALLERS

SunModo, Corp.

Vancouver, Wash., USA www.sunmodo.com 360.844.0048

Pitched Roof System

Our new SMR System is the best value, best performing pitched roof mounting system on the market. One tool assembly and Pop-On technology allow fast and worry-free installation. The cost and performance cannot be beaten.

SunModo solutions are accessible to professional installers through preferred distributors.

Comp Shingle Attachments

NanoMount is the fastest installing roof mount in the industry and allows attachment to Deck or Rafters. NanoBit works for both shingle and metal roof. SoloFlash is a cost-effective full size flashing option.

CONTACT US

www.sunmodo.com 360.844.0048 (Pacific)

Call **SunModo** for any racking needs. We've not only seen it all, we've built easy-to-use solutions for all.

Tile Roof Attachments

TopTile cuts tile roof installation time in half by eliminating the need to move any tiles and reducing the likelihood of tile breakage.

Metal Roof Attachments

Our metal roof attachments make easy work of any metal roof installation. MRB is the most versatile metal roof mount on the market. NanoBit is the fastest Rafter/Purlin metal roof attachment.

Ground Mount System

SunTurf Ground Mount allows single day install of 20kW and smaller systems. Ground anchors eliminate the cost and time of concrete and pre-cut pipe speeds installation of the racking.

ABOUT SUNMODO

SunModo is a private U.S. company focused on innovative racking and mounting solutions for professional installers in the fast-growing solar industry. We are energized every day by a desire to make solar installation easier, more reliable and more affordable. Our commitment to innovation can be seen across our entire product line, which includes 20 plus industry-shaping patents.
